Dealer Comments
This used 2020 Ford Fusion is the kind of sedan that makes the daily drive easier. It settles into highway speeds without fuss and the rear camera makes parking in tight spots less of a hassle. Power mirrors let you dial in visibility from the driver's seat, and the security system gives you peace of mind when you step away. Tire pressure monitoring helps keep the ride steady and the rear LED lights are crisp and modern. Take it for a spin and see.
