Dealer Comments

Another amazing deal...jump on it quick. A great EPA estimated combined rating of 29 MPG. Value, reliability, safety... This is the complete package. The alarm system is a great feature for parking outdoors. Get a new look with rear LED lights. This 2013 Fusion is going to fly off the lot. Come see it while it lasts! Don't know how much pressure is in your tires? This car does. Just check the handy tire pressure monitoring system. If safety is a must, this vehicle has the airbags you need.
