Dealer Comments
Meet the 2026 Ford Maverick, a new truck that feels easy to live with from day one. It fits into tight city spots without drama and still hauls what you need on the weekends. The rear camera makes backing simple, cruise control settles you in for longer runs, and power mirrors save the squint-and-reach routine. Clean air goes a long way thanks to the cabin air filtration, and rear LED lights keep visibility sharp at dusk. Take one for a short spin and see how it fits into your life.
