Dealer Comments
Meet the 2027 Ford Maverick, a new truck that makes everyday driving simpler. The cab is designed around comfort, and keyless entry means you get in and go without digging for keys. Backing up is easier with the rear camera, and cruise control handles those steady stretches of highway so you can relax a bit. A tire pressure monitoring system and cabin air filtration keep things comfortable and sensible for daily use. Take the Maverick around the block and see how it fits your life.
