Dealer Comments
Meet the 2027 Ford Maverick, a new truck that makes everyday errands feel like a small victory. The cab is quiet and the cabin air filtration keeps things fresh on those pollen-heavy mornings. Set the cruise control on the highway and let it do the work while the rear camera takes the stress out of backing into tight spots. A security system and tire pressure monitoring add practical peace of mind. Come take the Maverick for a test drive and see how it fits.
