Dealer Comments
Meet the 2026 Ford Maverick, a new truck that makes everyday driving easier. Backing into a tight spot is calm and precise thanks to the rear camera, and the cruise control settles in on the highway so you can relax on long runs. Cabin air filtration keeps the interior feeling fresh, and airbags bring sensible protection where it matters. A tire pressure monitor helps avoid surprises. Practical, comfortable, and built for the things you actually do with a truck.
