Dealer Comments
Meet the 2027 Ford Maverick, a new truck that fits city errands and highway miles without fuss. Heated seats make the first cold morning worth getting out of bed, and the built-in navigation keeps you on track when you take the scenic detour. Backing into tight spots is easier with the rear camera, and keyless entry saves you from digging for keys. Set the cruise control, relax on the long stretch, and enjoy aluminum wheels and thoughtful safety tech along the way.
