Dealer Comments
Take a look at the 2014 Chevrolet Silverado 1500. This used truck rides like the partner you call when something needs hauling or when you just want the road to quiet down, and the aluminum wheels give it a clean, purposeful stance. Backing up is easier with the rear camera, and the power mirrors save you the reach-around. Built-in tire pressure monitoring and a security system add everyday peace of mind. It comes with airbags and the practicality truck buyers appreciate.
