Dealer Comments
This certified 2022 Honda Pilot is the kind of SUV that makes family life a little easier and long drives less fussy. Room for everyone, sensible fuel use that supports the great gas mileage claim, and the strength to tow when you need it. Slide open the sunroof on a clear afternoon, back into tight spots with the rear camera, and settle in with cruise control for the highway miles. Practical extras include tire pressure monitoring and cabin air filtration to keep the ride comfortable.
