Dealer Comments
Meet the 2017 Acura MDX. This used SUV is quietly family friendly - room for car seats and weekend gear without feeling like a van. The sunroof brightens long drives, built-in navigation keeps you on course, and the rear camera makes backing into tight spots easier. Cruise control smooths out the highway hours, while airbags are there quietly looking out for the crew. Come take the MDX for a quick drive and see how it fits your routine.
