Dealer Comments

Meet the 2024 Honda CR-V. This used SUV has just 18,342 miles, low mileage for its age and ready for the next family road trip. The CR-V rewards long days with great gas mileage and a roomy cabin that swallows car seats and soccer bags without complaint. Driver aids include a rear camera and cruise control, plus a tire pressure monitor, cabin air filtration and rear LED lights for added safety and comfort.
