Dealer Comments
This used 2024 Hyundai Tucson makes the everyday a little easier. With just 17,091 miles and great gas mileage, it's the kind of SUV that keeps the family moving without drama. Heated seats warm up cold mornings, navigation helps you skip the back roads, and the rear camera makes tight parking simple. Power mirrors, cruise control and a tire pressure monitor are all practical touches, plus cabin air filtration and airbags for peace of mind. Take it for a spin and see how it fits your routine.
