Dealer Comments

Meet the 2017 Hyundai Sonata, a used sedan that settles into everyday life the way a favorite sweater does. The Sonata makes the commute quieter and simpler with cruise control for the long stretches and a rear camera that keeps parking from being a guessing game. Aluminum wheels look sharp without being flashy, the tire pressure monitor keeps basic maintenance honest, and the cabin air filtration helps the interior stay pleasant. Take it for a test drive and see how it fits.
