Dealer Comments
Meet the 2007 Toyota Tundra, a used truck that still knows how to work. The driving position is straightforward and honest, and cruise control makes long stretches feel easier when you want to set it and forget it. Built with airbags for peace of mind and a simple, no-nonsense layout that takes the fuss out of daily chores, the Tundra is the sort of truck that gets on with the job without drama. Take it for a test drive and see how it fits your day.
