Dealer Comments

Spacious interior is perfect for families. Call today to schedule your test drive. The built-in air filtration system is a great feature for children and adults alike. You better not buy until you see this 2023 Highlander. LED lights fail less often and keep the SUV looking good for years. Cruise control is included with this vehicle to make sure you don't get pulled over for accidently speeding. You'll also love this Highlander's low tire pressure warning and airbags.
