Dealer Comments

This 2015 Toyota Highlander feels like a sensible upgrade for anyone who wants a comfortable ride and great gas mileage without fuss. The sedan sits quietly on the highway and still has the muscle for strong towing when you need it. Leather seats make city errands more pleasant, the rear camera takes the stress out of tight spots, and power mirrors plus a tire pressure monitor keep small annoyances handled. Cabin air filtration and airbags add everyday peace of mind. Come take it for a spin.
