Dealer Comments

This 2012 Toyota Tacoma is a used truck that feels ready to earn its keep. It gets great gas mileage for its size and was built for hauling and towing, so long drives and weekend projects both feel like their own kind of reward. The cab is straightforward and the controls are easy to live with; a tire pressure monitor and airbags are on board for everyday peace of mind. A great value buy for someone who wants a dependable, no-nonsense pickup.
