Dealer Comments
The 2021 Kia Sorento is a used SUV that makes family life easier without fuss. Seats that warm up on cold mornings, a sunroof for fresh-air drives, and a rear camera for confident reversing are the sort of creature comforts you notice every day. Cruise control takes the strain off long highway runs, and aluminum wheels add a tidy, finished look. This family friendly Sorento also has power mirrors, a security system and tire pressure monitoring to keep things sensible. Come take it for a spin.
