Dealer Comments
Meet the 2017 FIAT 124 Spider, a used convertible that makes the open road easy to love. Great gas mileage keeps weekend getaways affordable, and that dual exhaust note reminds you you are driving something special. Aluminum wheels and power mirrors give it a planted, finished look while steering wheel controls and cruise control keep long miles relaxed. A tire pressure monitor and airbags add sensible peace of mind. Take the 124 Spider for a spin and see how it fits.
