Dealer Comments
This used 2022 Subaru Forester makes those everyday drives feel easier: great gas mileage and a family friendly cabin that swallows backpacks, groceries and whatever the weekend brings. Heated seats and a sunroof make cold mornings and long afternoons nicer, cruise control lets you set it and forget it on the highway, and a tire pressure monitor keeps one less thing on your list. Aluminum wheels and a security system add style and peace of mind. Come see it and take it for a spin.
