Dealer Comments
This used 2024 Chevrolet Trax sedan is the sort of car that makes the everyday easier: great gas mileage gets you more weekends, and the heated seats turn the first cold morning into a small luxury. The rear camera saves the neck-craning when you back into tight spots, while the cabin air filtration keeps the interior feeling fresh. Airbags add peace of mind. Come take the Trax for a short drive and see how it fits your day.
