Dealer Comments

This used 2024 Chevrolet Trax is easy to live with and even easier to park around town. The sedan layout gives you a confident view and the great gas mileage means fewer stops on errands and commutes. Heated seats make chilly mornings actually pleasant, the rear camera takes the guesswork out of tight spots, cabin air filtration keeps the interior feeling fresher, and airbags are there where you need them. Take it for a quick test drive and see how it fits your routine.
