- Engine:2.5L GDI MPI DOHC 16-Valve I4

Dealer Comments

This used 2023 Hyundai Sonata makes the commute a little kinder: heated seats for cold mornings, cruise control for the long stretch of highway, and navigation that keeps you moving without a second thought. Backing into a tight spot is easier with the rear camera and power mirrors, and the aluminum wheels give it a clean, finished look. It feels tidy and sensible in all the right ways - take it for a quick drive and see how it fits.
