Dealer Comments

This used 2020 Genesis G70 feels like a proper driver's sedan the first time you take it out on the highway. Low mileage for its age means more time enjoying the leather seats and sunroof instead of worrying about the next owner. Power mirrors and cruise control make daily driving easy, and the aluminum wheels with rear LED lights give it a planted, finished look. Come by and take this G70 for a calm, confident test drive.
