Dealer Comments
2026 Land Rover Defender ready for the next chapter. This used Defender brings that luxury brand feel without pretending to be something it is not: family friendly layout, strong towing capability, and enough presence to make your driveway look intentional. A sunroof opens the cabin on long drives, the rear camera takes the guesswork out of tight spots, cruise control settles in on the highway, and aluminum wheels give it a tidy stance. Features include: sunroof, rear camera, cruise control, aluminum wheels and tire pressure monitoring.
