Dealer Comments
This used 2017 Rolls-Royce Dawn delivers the calm you want on a long drive and the presence you want in the parking lot. The cockpit is tuned for comfort: navigation and Bluetooth keep you on course and hands-free, cruise control smooths out highway miles, and the rear camera helps when you need to thread into a tight spot. Rear LED lights and precise power mirrors finish the practical side of things while the cabin filtration and airbags look after those who ride along. Take a good look - this Dawn rewards slow, confident ownership.
