Dealer Comments

This used 2015 BMW 3-Series feels smaller than its reputation for luxury and bigger than its appetite at the pump - great gas mileage and the premium name you know. The sedan handles errands and the long haul with equal calm. Power mirrors make tight spots easier, cruise control lets you set it and forget it on the highway, and the tire pressure monitor keeps you confident between stops. Cabin air filtration and a security system add everyday comfort and peace of mind. A great value buy for someone who wants comfort without fuss.
