Dealer Comments

Meet the 2013 BMW 5 Series, a used sedan from a luxury brand that still feels composed on the road. Leather-grade comfort comes through on longer drives, and the navigation makes errands and weekend escapes straightforward. Backing into tight spots is easier with the rear camera, and satellite radio keeps the soundtrack lively. Practical touches include a tire pressure monitor and cabin air filtration for cleaner trips. Take it for a spin and see if it fits your routine.
