Dealer Comments

This used 2024 Dodge Hornet is a family friendly SUV that makes everyday driving easier. Heated seats would be nice, but what this Hornet brings right now is thoughtful convenience: bluetooth keeps you connected without fumbling for cords, cruise control smooths out the highway miles, a tire pressure monitor saves you a surprise stop, and cabin air filtration helps keep the passengers comfortable. LED rear lights and airbags add practical peace of mind. Come take a look and see if it fits your routine.
